

# COMPRESSOR HIRE

## SAUER WP4341

### Electric high pressure compressor

A compact and rugged, air-cooled electric compressor in a DNV-certified crash frame. These units are commonly used for seismic work with airguns, pipe and vessel testing, scientific project support, and general industrial applications. To become operational, they simply require a three-phase electric supply.

Electric high pressure compressor

### KEY DATA

Make	Sauer
Model	WP4341
Duty	53.5m³/hr 50Hz, 68.5m³/hr 60Hz
Max pressure	350bar
Prime mover	20/25kW electric motor with a 415V 50Hz or 440V 60Hz supply
Cooling	Air cooled
Control	Fully automatic by pressure switch
Condensate	Timed drainage to a condensate tank
Air quality	ISO 8573-1 2010 class 5
Enclosure	DNV-certified steel crash frame
Dimensions	203 x 123 x 156cm
Weight	1,262kg
